Interview Summary
Licensing Coordinators interviewed two youth from the program at the unannounced site inspection. Both youths stated things were going well for them at the program. When asked what the youth appreciated most about the program, both youths expressed that they enjoyed the outings and playing sports. Both youths feel safe at the program and feel comfortable talking to staff when they need something. Both youths receive private phone calls and can talk to anyone on their approved contact list. Youth receive three meals a day: including snacks as necessary. One youth expressed that if he could change one thing about the program it would be to have more outings than they already go on. This youth did express that he does enjoy the outings he currently goes on. This youth is a part of one of the high school football team and gets to travel to different schools to play.

Observations
Licensing Coordinators did a walkthrough of the program. Staff and youth were observed at the program during the inspection. The youth that were at the program appeared to be at ease and comfortable in their respected environment. All areas of the programs (inside and outside) where youth had access were observed to be well kept, clean and in good repair. The agency vehicles that the youth ride in were observed and met the requirements per Licensing Rules. The kitchens were observed to have plenty of food, recently upgraded floors and a floor runner for safety. Medication was observed to be in locked medication carts in a locked room which was inaccessible to the youth. The program recently purchased six new chairs for the youth. Licensing Coordinator observed new bulletin boards and privacy screens for staff computers at the program.
