Interview Summary
Opening interview was held with the Program Director, Jennifer Horst. An update regarding program status was discussed. Two youths from the program were interviewed. Both youths are 16 years of age. Both youths have been at the program less than 2.5 months. Both youths really enjoy being a part of the program. When asked what they appreciated most about living in the program, the youth stated: Outings, such as going to the park, YMCA, swimming, and playing basketball. Both youths are involved in treatment groups. Both youths stated that they get along well with staff in general. Both youths feel like they can communicate with staff when needed. Both youths like the food that the program serves. Both youths shared that they get 2 to 3 phone calls to family a day. Both youths shared that they feel safe in the program.

Observations
Staff and youth were observed at the program during the inspection. The youth that were at the program appeared to be at ease and comfortable in the environment. All areas of the program (inside and outside) where youth had access were observed to be well kept, clean and mostly in good repair. Kitchen was observed to be well maintained and had an adequate amount of food. Medication was observed to be in locked medication carts in locked rooms which were inaccessible to the youth.

Corrective Actions and Timeframes:

Please submit the following to verify compliance.

Within 45 days of receipt of this report **Josephine County Juvenile Department** must submit a letter of verification indicating the agency is in compliance with the specific rules cited above and describing how compliance will be maintained going forward. Along with the letter of verification, the agency must submit any and all specific documentation requested in the body of this report. The letter of verification and any additional requested documents can be emailed directly to **Jorge Pelinski at Jorge.l.pelinski@odhsoha.oregon.gov.**
