Supplemental Information Provided by CCA required policies and procedures	**Yes☐ No✓**	**Supplemental Information Provided by CCA** required policies and procedures The agency revised some policies as part of the Plan of Correction and submitted them to Licensing.

New Findings from Site Visit	Comments
Physical Plant 413-215-0511(2)(a) &(c) Buildings are smoke free, clean and in good repair	***Physical Plant 413-215-0511(2)(a) &(c) Buildings are smoke free, clean and in good repair*** • *Downtown Shelter: (Room 509) Closet door was missing and needs to be replaced.* • *Sage: Brownish substance was around a threshold of a shower.*

Interview Summary
Staff and youth from each program were interviewed (6 total youth) at the unannounced site inspection. All the youth stated things were going well at the programs. The following statements were stated by the youth when asked what they appreciated most about the program: “I feel connected to my therapist,” “school,” “Everyone treats me really good, everyone treats me really well.” “I like playing soccer.” In the interviews all the youth confirmed they receive enough food to eat, and snacks are being provided. The youth stated there were no restrictions on their approved contact list for them to make phone calls. It was confirmed by all the youth that they felt safe while residing in the programs. Many of the youth stated they had someone at the program they could talk to if they felt uncomfortable or needed anything.

Observations
Staff and youth were observed at the programs that were inspected. The youth that were observed at the programs appeared to be at ease and comfortable in their environments. The facilities were observed to be clean and in good repair with minimal repair needs (see repair needs above in the report).

Corrective Actions and Timeframes:
Please submit the following to verify compliance.
Within 45 days of receipt of this report **Morrison Family Services,** must submit a letter of verification indicating the agency is in compliance with the specific rules cited above and describing how compliance will be maintained going forward. Along with the letter of verification, the agency must submit any and all specific documentation requested in the body of this report. The letter of verification and any additional requested documents can be emailed directly to **Holly.r.ivey@dhsoha.state.or.us** or sent by regular mail to the following address:
