Runaway Attempt

On August 7th, at approximately 1727 hours, Deputy Parker and I were dispatched to the youth home located at 20400 COLONEL GLENN ROAD in reference to two juvenile females running away from the facility.

Upon arrival, Deputy Parker and I made contact with Joseph Davis (caller). Davis escorted us to the two juveniles identified as Haylee Pischke and Audrey Grantham. Pischke and Grantham informed Deputy Parker and I that they are in a relationship and that the reason for them running off was because the staff was wanting to separate them from each other. The two juveniles were yelling and shouting, and not wanting to listen to what Deputy Parker, myself and the staff were trying to say. The staff made a final decision to separate the two juveniles for safety precaution and due to the relationship that they were vocalizing. Grantham was escorted to the Crestview house. Deputy Parker and I helped the staff escort Pischke to her living area after she refused numerous times and stated that she wasn't going to the area she was being assigned to. The juveniles only got a short distance up the street from the facility in their attempt at running away before returning with Davis. Neither of the juveniles were harmed or required medical attention. Both of them eventually cooperated and went to their assigned living quarters.

I gave this report number to a staff member and advised if they had any issues, questions or concerns to contact the Sheriff's Office. Nothing further to report.
