Licensing Specialist visited the facility regarding ELS complaint #026625 received on 1/6/2025.

Licensing Specialist Horton spoke with Ms. Jlynn Perkins to inquire about this complaint and interview the resident. Ms. Perkins escorted the Licensing Specialist to the conference room located in the administration part of the building.

Licensing acknowledged the resident when she entered the conference room and inquired about the complaint.

Resident informed Licensing that her and a peer were in a relationship together. Resident reported that she was mad at the peer because she was ignoring her, and that was why she made up the allegation. The resident informed Licensing that the allegation was not true. Resident stated she knew she was wrong by lying on her peer and that is why she recanted (told the truth).

Facility provided Licensing Specialist with the following documentation: written witness statement from the resident. Licensing Specialist did not interview the peer due to the peer being discharged from the facility on 3/10/2025.

Licensing reviewed the Minimum Licensing Standard below for Complaint #026625:

907.2 Childcare staff shall be responsible for providing the level of supervision, care, and treatment that is necessary to ensure the safety and well-being of each child at the facility, taking into account the child's age, individual differences and abilities, surrounding circumstances, hazards, and risks.

Based on the resident's interview and the witness statement provided, this complaint has been UNFOUNDED by Licensing.
