Licensing received a complaint on 5/13/2025 for ELS Case #029779.

Licensing Specialist visited the facility to interview the resident regarding complaint #029779.

Licensing Specialist interviewed the resident in a conference room at the facility. Licensing Specialist checked on the resident's well-being. The resident appeared to be in a good mood. The resident reported to Licensing that she turned eighteen (18) on 05/17/2025.

Resident shared with Licensing that when she leaves the facility, she wants to attend a culinary school and get a food truck that she will call "Taste of Tennessee."

Licensing Specialist inquired about how were things going for her at the facility. The resident reported that she would not recommend the facility to anyone. The resident asked the Licensing Specialist if she was from DHS. Once the Licensing Specialist informed the resident of her status, it appeared that the resident's mood changed. The resident went from being talkative to barley talking. The resident became quiet and informed the Licensing Specialist that she was in group when Licensing arrived and wanted to go back to group.

Licensing Specialist escorted the resident back to a staff member at the front desk and informed the staff member that the resident wanted to return to group.

No Minimum Licensing Standards were reviewed for this complaint due to no timeframe or name of the staff member were provided to Licensing.

Complaint unfounded by Licensing due to resident refusing to disclose and provide adequate information for this complaint.
