## Notice of Incident

**Case Number:** 031398

**Date of Incident:** 6/26/2025

**Date Received:** 7/17/2025

**Facility Name:** Piney Ridge Treatment Center

**Report Description:** [REDACTED] came to the [REDACTED] nurses station with a supervisor to report that two days ago during wake up time a peer who shared a room with her tried waking [REDACTED] up. [REDACTED] then reported that the peer started touching her butt over her clothes while trying to wake her up. [REDACTED] then told the nurse that day she went into the bathroom on Topaz Pod with a Lego and self-harm on her stomach due to being trigger about the incident. [REDACTED] lifted up her shirt for the nurse and the nurse seen that [REDACTED] had a red abrasion that was about 3 inches long on the right side of stomach above the belly button. [REDACTED] stated 4/10 from the pain scale and the nurse applied Triple Antibiotic Ointment with 4 band aids to [REDACTED] abrasion. Nursing and the floor supervisor process with [REDACTED] explaining the importance to alert a staff or nurse when incidents like this happen. So far this is an allegation and the peer have been moved to a different pod.
