Narrative

On August 8, 2025, at approximately 5:30 A.M., I was dispatched to the Little Creek Behavioral Health facility regarding four juveniles who had escaped and run away.

Upon arrival, I spoke with two nurses who provided photographs and the names of the missing juveniles. While I was relaying this information to dispatch, I was informed that facility staff had possibly located the juveniles at the VP Gas Station located at Highway 286 and East German Road.

Cpl. Cox and I then advised dispatch that we'll be running code three to that location. Upon arrival, Deputy O'Neil and Deputy McCall were already on scene, assisting facility staff in placing the juveniles in hand restraints. I placed hand restraints on JO4 and escorted him to my patrol unit. Deputy O'Neil placed hand restraints on JO1 and escorted him to his unit. JO4 advised that his left ankle was hurting and requested medical attention. I notified dispatch to have

Narrative

Pafford respond to our location.

While waiting on Pafford, additional deputies arrived to assist the Conway Police Department in the search for JO2 and JO3. At approximately 6:05 A.M., JO3 was observed walking south on East German Road, limping. He identified himself as one of the runaways. I placed him in hand restraints and escorted him to Pafford EMS for medical evaluation. I advised dispatch and other personnel that JO3 had been located.

Shortly after, Mr. Brady Serafin (complainant) arrived on scene and advised that the juveniles should be transported back to Little Creek Behavioral for medical evaluation. Deputy Hill assisted with transporting JO1 and JO4, while I transported JO3. Upon arrival at the facility, custody of the juveniles was transferred to the staff.

During questioning, in the presence of Mr. Serafin, the juveniles stated that JO2 had possibly entered a black, older-model sedan, possibly a Honda Civic or Toyota Camry. I completed an ACIC Entry Form for a missing juvenile, and a BOLO (Be On the Lookout) was issued.

I provided Mr. Serafin with the report number and advised him on how to obtain a copy of the report.

Notes:

At approximately 10:30 A.M., I was advised by dispatch that an off-duty officer had possibly seen JO2 behind the VP Gas Station.

While en route, dispatch advised over the radio that the Conway Police Department was actively engaged in a foot pursuit with JO2, who was fleeing into the woodline behind the gas station.

Upon arrival at the intersection of East German Road and Langford Road, I, along with another officer, began assisting in the search. While walking the property, a Conway Police officer located and took JO2 into custody. JO2 complained of scratches and pain in his right ankle. I advised dispatch to have Pafford respond to the scene. Pafford arrived shortly afterward and provided medical evaluation and treatment.

Following his medical clearance, I took custody of JO2, placed him in hand restraints, and secured him in the back seat of my patrol unit. I then notified dispatch that I would be transporting JO2 back to Little Creek Behavioral Health. Upon arrival, I transferred custody of JO2 to facility staff without further incident.

I then completed an ACIC Deletion Form to remove JO2 from the missing juvenile system and emailed the form to Civil Process and EOC.
