Interview Summary
Youth from the program were interviewed (2 youth) at the unannounced site inspection. Both youths are 16 years old and new to the program. The following information was obtained from the youth interviews: • Both youths stated that they felt safe in the program. • One youth stated they wish they had more activities to do; to manage their time better. • Both youths stated things were going well in general at the programs. • Both youths described the staff as supportive and kind. One youth described the staff as “Amazing!” Both youths stated that in general, they get along with their peers. • Both youths reported that they see a therapist regularly. • Both youths have goals that they are working towards. • Both youths confirmed they receive enough food to eat and have plenty of snacks in between meals.

Observations
Staff and youth were observed at the programs during the inspection. The youth that were at the programs appeared to be at ease and comfortable in the environments. All areas of the programs (inside and outside) where youth had access were observed to be well kept and in good repair. Program Manager (Benjamin Treckman) stated that new vanities will be eventually installed in all 4 of the youth bathrooms. Medication was observed to be in locked medication carts in locked rooms which were inaccessible to the youth.
