Licensed Child Caring Agency Site Visit Report
Residential Care

Licensee: Team Bailey
Executive Director: Kathy Bailey
Board Chairperson: Jordan Craig

Date of site visit: 07/10/2023
Licensing Coordinator: Jeff Minden, Aubrey Kelly

Other Regulatory or Accrediting Agencies: Oregon Youth Authority

Program Compliance: The program was found to be compliant or will be compliant with OAR 419-400-0005 to 419-400-0310, Licensing Umbrella Rules, and OAR 419-470-0010 to 419-470-0180, Licensing Residential Care Agencies Rules. Personnel records were reviewed and compliance with required background checks was documented for employees in all programs.

Program Description(s): Residential program providing Independent Living Skills to youth in OYA custody.

Program type and services: Residential – Independent Living Services

Capacity and Age Range: 5, male ages 17-24

Funding sources: Oregon Youth Authority

Contracts and sources for referrals: Oregon Youth Authority Independent Living Program (ILP) Contract. Oregon Youth Authority provides all program referrals

Average length of stay: 6-9 months

Average daily population served: 5

Number of children served annually: 9

Use of seclusion or restraint: No

Interviews, Observations: As a part of the review a tour of Team Bailey was conducted, along with 2 staff interviews. Interviews with youth were attempted. However, none of the youth present in the program were willing to be interviewed. The facility was clean and in good repair, including the bathrooms, laundry area, kitchen and staff offices.

Staff both spoke positively about the program. One staff was new to the program having only been hired approximately 3 weeks earlier and the other has been with Team Bailey since opening. Both staff reported liking working for the program. Both staff reported the best part of the job is interacting with youth and learning about them. One staff reported that the biggest challenge is there isn't enough time in the day, and that it can be challenging balancing the schedules for 5 youth. Both staff reported feeling management was readily available, supportive, and that the training was helpful. Neither staff reported anything they thought could be changed or improved.

Program Strengths: Program is self-described as diverse and culturally aware. The program adapts to youth's varying schedules and has a focus on positively coexisting in the space.

Program Challenges: Program reports that transportation for youth to and from work has been noted as an ongoing challenge. Although the program can access public transportation for youth, OYA Probation Officers prefer the program to handle youth transportation so youth whereabouts are known.

Changes that have occurred in the last 2 years: N/A Initial 6 month review

Lawsuits: None

Grievances and complaints filed in the last two years: None since opening.

Corrective Actions and Timeframes: Please submit the following to verify compliance.

Within 45 days of receipt of this report Team Bailey must submit a letter of verification indicating the agency is in compliance with the specific rules cited above and describing how compliance will be maintained going forward. Along with the letter of verification, the agency must submit any and all specific documentation requested in the body of this report. The letter of verification and any additional requested documents can be emailed directly to Jeff Minden, Jeffrey.E.Minden@odhsoha.oregon.gov

Recommendations: The program provided all policies as requested, however there appeared to be several duplicates with similar names, as well as some policies that were no longer in effect. It is recommended that the program update the organization of their policies to better indicate current versions.

Exceptions: Exception filed for Food Service regulations to support the program in providing ILP services in a residential care setting
