Interview Summary
Client interview: They feel safe here and their favorite staff are Duncan, Evan, Trevor and Big Sam. The food is good, especially the nachos. They reported some of the food tastes like cat food. They get along with other clients. When asked what else can be done to keep them safe, they said, “Nothing. It’s not their fault.”
Observations
The Mallett and Redwood cottages were toured. Both cottages were clean and well maintained. There has been significant work done to keep one suicidal client safe, to include removing their bedroom door, removing the lock from the bathroom door and allowing the client only to be in rooms with more than one door in and out.
