No further action is required.

New Findings from Site Visit	Comments
None	

Interview Summary
Client #1: They are 10 years old, has been in foster homes and Jasper Mtn. They like it here, been here for over 1 year. They feel like they are helping. They feel like they are safe here and staff helps them to stay safe. The food is really good but they don't drink milk because it gives them the farts. Favorite staff is Jessica, she's really nice. They speak with their caseworker on the phone. Client #2: They are 16 years old. They have been in several other programs. They have spoke with family on a regular basis. They wish they could have cereal for breakfast, they are a very picky eater. They feel safe here, though they have anxiety here also.

Observations
The program was clean and well taken care of.

Corrective Actions and Timeframes:
Please submit the following to verify compliance.
Within 45 days of receipt of this report **Trillium Family Services, Inc. – Parry Center** must submit a letter of verification indicating the agency is in compliance with the specific rules cited above and describing how compliance will be maintained going forward.
