Report Description: I wanted to inform you of an incident that occurred at The Centers (EMAC) on 3/17/2023. On 3/17/2023, client [REDACTED], DOB: [REDACTED] reported she was feeling dizzy and weak. [REDACTED] said she had not eaten much. [REDACTED] was offered all her favorite foods, nutritional shakes and Gatorade but refused them all. Centers medical personnel assessed [REDACTED] and Dr. Perkins made the decision to send [REDACTED] to Urgent Care for further evaluation. Centers staff transported [REDACTED] to Urgent Care. UC medical personnel conducted numerous tests (CBC, metabolic panel, liver panel and EKG) all of which were interpreted as normal. [REDACTED] was receiving IV fluids, but she began to refuse the treatment and care was stopped. [REDACTED] was then transported to Arkansas Children's Hospital (ACH) to continue her treatment. Once at ACH, [REDACTED] was treated for [REDACTED] by ACH medical personnel. [REDACTED] was admitted and remained at ACH until she was discharged to her guardian on 3/19/2023. [REDACTED] is a private placement at The Centers. [REDACTED]'s guardian, who lives out of the state, will be moving [REDACTED] out of the state with her (guardian). As always, please do not hesitate to contact me if you need any additional information.

Interim Action Narrative: Resident was assessed by the nurse. She was transported to Urgent Care and AR Children's Hospital for further evaluation. Resident was admitted to AR Children's Hospital and discharged to her guardian.
