Video Surveillance Footage 4/9/2025 from 17:57 - 17:59

Staff to resident ratio is 1:4.

The camera footage showed Staff 1 standing at a table. Residents 1 and 2 were in the top corner of the outdoor area. There was one resident standing between the tables and one seated at a table. Residents 1 and 2 were using sidewalk chalk and appeared to be playing in the dirt. At 17:57:57 Staff 1 sits down at the table. At 17:58:19, Residents 1 and 2 stood up and looked at the staff member at the table. The staff member appeared to be writing on paper. Resident 2 reaches into Resident 1's pelvic area on the outside of the clothing and appeared to rub the area. At 17:58:25, Resident 2 looked at the staff member at the table and reaches in again and appeared to rub Resident 1 in the pelvic area. At 17:58:28, Staff 1 notices the interaction and redirects the residents to stop. The residents are separated and Resident 2 walks to the table to sit down with the staff member.

The facility implemented a safety plan for the residents. They were placed on SAO precautions, one was placed on a different pod, and they were both placed on a 6-foot no interaction.

Based on the information received from video footage review, Yellow Rock Behavioral Health was found to be in compliance with standard 907.2. Childcare staff shall be responsible for providing the level of supervision, care, and treatment that is necessary to ensure the safety and well-being of each child at the facility, taking into account the child's age, individual differences and abilities, surrounding circumstances, hazards, and risks. This complaint has been UNFOUNDED by Licensing.
