Description:

*** BWC Active ***

On 04/23/2025 at approximately 0839 hours, I (Officer Decipulo #313) responded to 201 Spring St for a battery report that occurred at 2466 S 48th St (Perimeter of the Ozarks) around 2205 hours on 04/22/2025.

Upon arrival, I met with Luis Velez-Ortiz [REDACTED], who wanted to report that a patient punched him. According to Velez-Ortiz, a patient was being disruptive in another resident's room, so he went to separate her. This patient was identified as [REDACTED], hereby referred to as [REDACTED].

When separating [REDACTED] from the other resident to move her back into "Unit Blue", Velez-Ortiz said [REDACTED] punched him on the left side of his face three times and once on the right side of his stomach. Velez-Ortiz said his face still hurt and was a 3 on a scale from 1-10, while his stomach was at a 5. While speaking with Velez-Ortiz, I did not observe any physical injuries on his face.

It should be noted Velez-Ortiz was nonchalant about the incident and this sort of thing happens all the time. Velez-Ortiz alluded to knowing he would be attacked while doing this course of work. Velez-Ortiz also added that he was merely filing a report because his work requested he do so. Moreover, Velez-Ortiz also said his work wanted him to pursue charges for the incident.

Prior to concluding contact, I provided Velez-Ortiz with the incident number as well as my name and badge number. I informed him to contact the police department if he had any further information he wanted to add.

End of narrative. DD313.
