Report Description: On 01/13/2025, [REDACTED] (private) reported to an [REDACTED] when he was speaking to her about something else that her roommate [REDACTED] (Private) had grabbed her breasts, vagina, and buttocks over clothing multiple times. When interviewed by the Risk department later that same day, [REDACTED] could not recall specifics of any time her breasts or vagina had been groped but stated that [REDACTED] had grabbed her buttocks over clothing last week while they were standing in line. When [REDACTED] was interviewed, she stated that she accidentally touched [REDACTED] buttocks in line but that this was the only incident of touching. [REDACTED]

[REDACTED]. [REDACTED] has been moved to sleep in the hall as a safety intervention to be reassessed every 24hrs. [REDACTED] has been put on a reverse 6ft with staff, along with a 6ft no-interaction precaution with [REDACTED] and a staff has been assigned to her doorway.

Interim Action Narrative: Facility [REDACTED] and residents were placed on 6ft no interaction precaution.

[REDACTED] Narrative: AV is [REDACTED] PRFC is [REDACTED]. Out of Home AO is [REDACTED]. During a forensic interview, [REDACTED] disclosed that her roommate [REDACTED] had touched her on the breast, buttocks, and vagina over the clothes "many times" and would only stop when [REDACTED] would yell at her to stop. [REDACTED] advised that [REDACTED] had touched others but could not provide any details on this. [REDACTED] denied

██████ making ██████ touch ██████ body and denied ██████ saying anything to her when this occurred.

Licensing Narrative: Licensing reviewed complaint for licensing issues. Program Coordinator checked [REDACTED]. Permission requested for licensing to contact the facility. 1/15/2025 - Licensing specialist reviewed the report and will follow up with the facility to inquire - Why is the AV the one sleeping in the hallway, being reassessed every 24hrs, and put on a 6ft with staff? Permission granted to contact the facility. Facility response received " The AO was the one placed on a 6 foot with staff, precautions assessed x 24. We are making different bed assignments tomorrow. Because of the different dynamics on the unit at that time, the precautions put in place and because the AV readily volunteered to sleep in the hall the decision was made in this manner." 2/13/2025, per [REDACTED]. Licensing Specialist informed 2/14/2025 - The report has been unfounded by licensing, 521 sent to facility for signature. 2/27/2025 - Licensing specialist resent the 521 for signature because a response was not received. Signed copy received and uploaded to ELS. 3/6/2025, a timeframe was not provided of this complaint. There were no witness statements obtained. The facility put precautions in place for safety. This is complaint has been unfounded by licensing. Case complete.
