Description:

*****BCW ACTIVE*****

On August 9th, 2025, I was dispatched to 2466 S 48th Street for an attempted suicide. When I arrived, I witnessed that [REDACTED] was already on the gurney and being put into the back of the ambulance. I followed her to the hospital, where I received a statement from Parrish Guillory. He was the contact for Perimeter of the Ozarks, where [REDACTED] was staying. He informed me that she had a cord wrapped around her throat. He also informed me that he knew her from a different facility, and she has never tried something like this before.

While at the hospital, the firefighter who transported her informed me that during the ride, she asked if the strap for the gurney would kill her and proceeded to wrap the strap around her throat. The medics in the ambulance were able to get the strap off before anything could happen.

CIT took over at the hospital
