He came with 3 new prescriptions for nausea and constipation and follow-up with Dr. Alberty in 2 weeks. They did not give him any new diagnosis at this time.

Interim Action Narrative:

Maltreatment Narrative:

Licensing Narrative: Licensing reviewed the report, Nursing notes and medical documentation received, reviewed and uploaded to ELS. Facility update received: " About an hour or so after the resident returned to the facility, his heart rate was around 170 ? It was 155 when discharged and they stated to monitor for an hour and if continued to be elevated to return to the ER. It remained elevated so we took him to the ER to be evaluated a little while ago."
