Notice of Serious Incident

Case Number: 030133

Date of Incident: 5/29/2025

Date Received: 5/30/2025

Facility Name: United Methodist Children's Home Little Rock Campus

Facility Number: 115

Incident Type: Licensing

Report Description: on 5/29/25 client [REDACTED] client got up and went to maglock doors on D-Hall bedroom hallway and began screaming and kicking/banging on the doors. This didn't appear to be provoked and there was no incident that occurred prior to him doing this. He refused to be redirected for approx. 10-15 minutes, and then reported to nurse that the top of his left foot was hurting and it hurt to put his left foot on the ground. No swelling, bruising, gross deformities, or abnormalities noted on exam besides tenderness to touch on the top of his left foot. Client was given an ice pack, but initially refused [REDACTED] an xray was ordered and results are as followed. [REDACTED]

[REDACTED]. The nurse practitioner said that we will treat his inflammation with [REDACTED] by mouth twice daily for 21 days. She said that this is ultimately something that [REDACTED] will outgrow with time as he gets older (growing pains). We will continue to monitor for any changes or worsening of his symptoms. His guardian has been notified and did give consent for the [REDACTED]

Interim Action Narrative: Resident was assessed by nursing and an x-ray was completed.

[REDACTED] Narrative:

Licensing Narrative: Licensing reviewed provider reported incident for licensing concerns. Licensing requested nurse's note from the facility. Nurse's notes provided, reviewed, and uploaded.
