Description:

On Friday, May 16, 2025, at approximately 12:30pm Investigator Criswell and I met at Perimeter to speak with [REDACTED]. The interview was conducted by Investigator Criswell as I sat by and observed. During this interview [REDACTED] was wearing a gown of which was due to being on suicide watch and being in the restrictive unit in facility.

During the interview [REDACTED] disclosed to a lot of past abuse that was already investigated or had occurred outside of the Arkansas. Also, during the interview [REDACTED] was talking about past altercations that had caused bruises. When Investigator Criswell asked if she had any other bruises, she mentioned yes and pointed out the bruises she had on her biceps. It should be noted at the beginning of the interview when [REDACTED] was asked if she knew why we were there to speak to her, she said no.

[REDACTED] explained she had received the bruises on her biceps from staff member named [REDACTED]. [REDACTED] said she was sitting in a chair she wasn't supposed to be sitting in due to it being a staff member. [REDACTED] said it was a rule not to sit in the staff chairs. [REDACTED] said [REDACTED] grabbed her and removed her from the chair and caused the bruises on her arms. [REDACTED] said afterwards, [REDACTED] said he was sorry. After the conclusion of the interview with [REDACTED] she was taken back to her unit.

Investigator Criswell and I spoke with Director Charriot Sales. Director Sales explained [REDACTED] was on restrictive unit due to suicide watch, being disruptive with other residents, and threatening harm towards staff. Director Sales said one of the staff members she threatened to beat up was currently pregnant. Director Sales also said they had issues with [REDACTED] keeping her clothing on. Director said she could allow us to watch the security camera footage of the incident but in order for either of us getting a copy of the footage we would need a subpoena.

Upon reviewing the footage of which was video only and no audio, the alleged suspect [REDACTED] is seen looking towards [REDACTED] who was sitting down in the "Staff chair". [REDACTED] is seen appearing to be speaking to [REDACTED] from across the room and [REDACTED] appears to not react in any way to [REDACTED] speaking to her. [REDACTED] then appears to walk across the room to where [REDACTED] is sitting in the staff chair. [REDACTED] is seen again speaking to [REDACTED] and she doesn't react to him, at which point he grabs her left bicep. From the video, it doesn't appear [REDACTED] is being aggressive when grabbing [REDACTED]. Immediately upon [REDACTED] grabbing [REDACTED] she is seen slumping downward into the chair to prevent getting out of the chair. [REDACTED] is then seen raising the back of the chair up and forward in a manner that would force [REDACTED] to have to stand up and out of the chair. During this portion of the video, [REDACTED] doesn't appear to be acting in a reckless manner. Throughout the video [REDACTED] didn't appear to be acting in a way that would have been indicative to having intent to cause harm.

Investigator Criswell and I concluded our investigation at Perimeter and left. No further information at this time.

Description:

On Tuesday, May 27, 2025 at approximately 10:00am I conducted an interview with [REDACTED]. [REDACTED] and I had the interview in room number three of the Criminal Investigation Division of Springdale Police Department. The interview was recorded both audio and video. At the start of the interview, I read and completed a Miranda Warning Form with [REDACTED] said he understood and signed the form.

At the beginning of the interview, I asked [REDACTED] if he knew what resident at Perimeter was involved in the interview and he wasn't sure. I explained to [REDACTED] the event of the resident not getting out of the staff chair and him lifting the chair up. [REDACTED] said yes, I remember that event it was with [REDACTED] said the residents aren't supposed to sit in the staff chairs and he had first told her she needed to get out of the staff chair. [REDACTED] said [REDACTED] wasn't getting out of the staff chair and the other residents in the unit were already wanting to fight her for issues that she had been starting in the unit. [REDACTED] said he could see that the other residents were becoming mad due to [REDACTED] breaking a rule and remaining in the staff chair.

[REDACTED] said he went over to the chair to get [REDACTED] to get out of the chair. [REDACTED] said he didn't even recall grabbing her arms at any point. [REDACTED] said he raised the chair to make [REDACTED] have to stand up out of the chair. [REDACTED] said he didn't raise fast or in a manner to make her fall to the floor and wasn't trying to injure her. [REDACTED] said they fired him after the incident and wouldn't allow him to see the video or tell him why they fired him. [REDACTED] said they didn't show me the part in the video where he shielded [REDACTED] because the other residents tried to fight her and then [REDACTED] started taking off her clothes. I went onto explain to [REDACTED] that I didn't have probable cause to charge him with any offenses and asked if he had any questions for me. [REDACTED] said he didn't have any questions, and I thanked him for his time. The interview was then concluded, and [REDACTED] was walked back out to the lobby.

At this time, I will be showing this case closed and inactive pending supervisor approval.
