Domestic Battering 3rd

On 10/15/2025 at approximately 1855 hours Deputy Brooks was dispatched to 20400 Col. Glenn Rd (Youth Home) to assist ambulance. The call was directed for the Crestview House where it was advised by dispatch that a 15 YOA female had been fighting.

Upon arrival Deputies made contact with a worker at the Youth Home, Amanda Fields, who stated that [REDACTED] fought another tenant of the Youth Home. Ms. Fields stated that the other tenant had been sent to Children's Hospital due to her injuries that she sustained during this incident. Ms. Fields also stated that [REDACTED] attempted fight another tenant but was not successful due to being restrained. Deputy Parker requested the name of the tenant that was attacked. Ms. Fields printed an information sheet for [REDACTED] stating this was the tenant that was attacked.

Both parties cohabited at the Crestview House at the Youth Home on 20400 Col. Glenn Rd.

Deputy Brooks asked [REDACTED] what had taken place today with [REDACTED] stated that [REDACTED] and another female had been cursing and that [REDACTED] told both of them to "Shut up." and they stated " You ain't talking to us." [REDACTED] then stated [REDACTED] told [REDACTED] "Okay wait until we get outside." [REDACTED] also stated that [REDACTED] hit [REDACTED] when they got off the bus; [REDACTED] did not advise of any further details at this time.

Another staff member asked deputies to step outside. When deputies were outside the staff member stated that [REDACTED] statement wasn't factual and that the other children on the bus stated that the argument was over a boy and that [REDACTED] was actually arguing with another girl and not [REDACTED]. The staff member also stated that the children said [REDACTED] was trying to deescalate the situation and that [REDACTED] thought that [REDACTED] stood up for the girl and that when [REDACTED] exited the bus [REDACTED] attacked [REDACTED]. None of the staff members present at this time witnessed the incident.

At this time Dep. Brooks contacted the on call juvenile intake officer, Shannon Robinson and advised her of the

charges for [REDACTED]. Robinson provided Dep. Brooks with the next available court date of 11/18/2025.

Deputy Keyes responded to the waiting room for Children's Hospital and made contact with [REDACTED] advised to him that she was in a verbal argument with [REDACTED] on the bus and that when they exited the bus to return to Crestview House [REDACTED] got on top of her after dragging her to the ground, struck her with [REDACTED] fists in the face and pulled her hair. Deputy Keyes advised that there was visible signs of injury on [REDACTED] (see Keyes supplement for further). Deputy Keyes completed domestic violence paperwork with [REDACTED] and took photographs of her which were attached to this report as evidence. The domestic abuse supplement form as well as the lethality assessment were submitted into evidence.

Supplement Keyes

On 10/15/25, at around 1915 hours, I responded to 20400 Colonel Glenn Road to assist Deputies with an Assist Ambulance call for service.

As Communications was relaying the call notes, they advised MEMS requested Deputies to clear the scene prior to their arrival due to a physical fight. I inquired if the parties were still fighting, to which I was advised it was unknown. I upgraded, driving code 3 with lights and sirens.

Upon my arrival, I made contact with Deputy Brooks, Deputy Parker and Youth Home workers, who had advised the location of the subject. Deputy Brooks and Deputy Parker began investigating the incident as I was advised the other involved party was being evaluated at Children's Hospital Emergency Room. Deputy Parker requested I make contact with interview [REDACTED] at Children's Hospital, to which I complied.

Upon my arrival at Children's Hospital, I made contact with [REDACTED] advised she was on the bus coming back to the Youth Home from school when a verbal disagreement between her and another residence at the Youth Home [REDACTED] occurred. [REDACTED] stated she requested [REDACTED] to stop singing so loud, to which [REDACTED] refused. [REDACTED] then involved the bus driver, which [REDACTED] became aggravated, stating she would handle it when they would get off the bus. Once the bus arrived at the bus stop, [REDACTED] stated [REDACTED] ran at her, grabbed her hair, punched her in the left side of her head, and knocked her to the ground, causing a minor laceration to her right knee. I documented [REDACTED] and her injuries through photographs which are attached to this report.

I then relayed this information to Deputy Parker and conducted a Domestic Violence Lethality Screen as well as a Domestic Abuse Supplement Form, which are also attached to this report. The Youth Home worker who was in attendance with [REDACTED] was provided a Laura's Card on [REDACTED] behalf, along side the report number associated with this incident.

I then left the scene without further incident.
