Licensing received a complaint on 5/27/2025 for ELS Cases #030052 and #030054.

Licensing requested to speak with Mr. Jon and informed him of the residents that needed to be interviewed. Mr. Jon escorted Licensing to the facility's chapel while he requested for the residents to be brought to the chapel.

Resident 1 – Informed Licensing that she has been at the facility for three (3) months. Resident 1 stated that she knew why Licensing was there to speak with her. Resident 1 reported that her former roommate jumped on top of her, kissed her arm, and humped her. Resident 1 informed Licensing that this incident happened the Friday before last during quiet time. Per Resident 1, it was after dinner but before phone calls. Resident 1 stated that she informed _____ what happened, and a hotline call was made.

When asked what happened next, Resident 1 reported that she switched bedrooms and has a new roommate. Resident 1 stated that her and her former roommate were placed on peer limits/restrictions. Resident 1 informed Licensing that her former roommate makes her uncomfortable and she does not respect her boundaries. Resident 1 stated that she feels that her former roommate should have been placed on more precautions.

Resident 2 – Informed Licensing that things were okay at the facility. She stated that she had some problems with her peers and some staff members. Resident 2 could not remember how long she has been at the facility but stated six (6) or seven (7) months. When asked if she was on any precautions, Resident 2 stated, "Yes, peer limits and fidget limits."

Licensing inquired about the precautions. Resident 2 reported being on peer limits the first time due to sharing clothes with a peer which is against the rules. Per Resident 2, she was placed on fidget limits due to having too many stuff animals and fidgets. Resident 2 informed Licensing they are only allowed to have one each. Resident 2 was also placed on peer limit due to a peer threatening her. Resident 2 and peer were not and never were roommates.

Licensing inquired about the other peer limit. Resident 2 informed licensing that she was placed on the second peer limit because of a hotline call. Resident 2 stated that Resident 1 lied on her. Resident 2 informed Licensing that she feels Resident 1 was mad at her and wanted to get her into trouble. Resident 2 did not elaborate on why Resident 1 was mad. Licensing inquired if Resident 2 knew what boundaries meant. Resident 2 explained to Licensing her thoughts on boundaries. Resident 2 informed Licensing that she does not like to be touched and sets up a wall. When asked if she respects her peers' boundaries, Resident 2 stated sometimes.

Resident 2 shared with the Licensing that her and Resident 1 were playing (poking and touching) with each other but not inappropriately. Resident 2 stated that her and Resident 1 were playing and laughing with each other, and she is not sure why the hotline was called. Resident 2 was persisted that she did not touch Resident 1 inappropriately.

When asked about the location of staff, Resident 2 informed Licensing that staff were monitoring the hall.

6/2/2025, Licensing interviewed a staff member via telephone. Staff member informed Licensing that Resident 1 reported that Resident 2 was not respecting her boundaries. Resident 1 informed the staff member that she had closed her eyes when Resident 2 kissed and humped her. Staff member reported to Licensing that Resident 1 stated it happened two (2) times and Resident 2 licked her arm.

Staff member informed Licensing that when she questioned Resident 2 about the situation, Resident 2 admitted to licking Resident 1's arm. Resident 2 also informed her therapist and guardian of her action. Staff member informed Licensing that when Resident 1 was moved to another bedroom, Resident 2 asked why and was informed of respecting peer boundaries.

Licensing complaint Cases #030052 and #030054 has been UNFOUNDED accordnig to the Minimum Licensing Standard below:

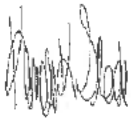

907.2 Childcare staff shall be responsible for providing the level of supervision, care, and treatment that is necessary to ensure the safety and well-being of each child at the facility, taking into account the child's age, individual differences and abilities, surrounding circumstances, hazards, and risks.

***** Pursuant to A.C.A. § 9-24-406(e) (3-4): If you believe that the Department's notice of noncompliance is in error, you may ask for reconsideration. The request for reconsideration must be in writing and delivered to the Department by certified mail within twenty (20) business days of receipt of the notice of noncompliance. The request must specify the parts of the notice that are alleged to be in error, explain why you believe those parts are in error, and include documentation to support the allegation of error. Once received the Department shall issue a decision on your request within twenty (20) days after receipt of the request.
