DPSQA - Incident & Accident - OLTC

Report Description: On August 30, 2025, at approximately 19:41, while residents and staff were in the Dayroom completing hygiene routines and preparing for lights-out, a resident (peer) approached [REDACTED] and struck her multiple times in the head. Staff responded immediately, intervened, and successfully separated the individuals involved. [REDACTED] was taken off the unit and promptly assessed by nursing staff. She reported symptoms including nausea, head pain, and sleepiness. The on-call medical provider was notified, and an order was placed to send [REDACTED] for further evaluation. At approximately 20:17, [REDACTED] was [REDACTED]. [REDACTED] She was discharged around 22:00 with instructions to return [REDACTED] should her symptoms worsen or if new symptoms appear. **Actions Taken:** - [REDACTED] and peer were separated so they are no longer on the same unit - Periodic checks to assess symptoms
