Narrative

On Monday September 8, 2025, I was dispatched to a call for service and made contact complainant [REDACTED] via phone.

[REDACTED] stated she works at Dell Children's Hospital in Austin Texas and stated she has a patient who used to live at little creek behavioral. [REDACTED] stated while being treated, JV1 (Victim) disclosed information to her and a social worker that she was sexually assaulted or possibly raped sometime within the last year while she was at Little Creek by a staff member. [REDACTED] stated she called to see if it was reported and I was unable to find any information. [REDACTED] stated since she is a mandated reporter, she would like to make a report, but stated she has very little information.

[REDACTED] was able to provide me with JV1's information, but stated JV1 has not said much about the incident therefore she does not have any other information. [REDACTED] stated if or when they get more information about the incident, they will call back to add to the report. At this time, this is all the information we have.
