This ELEMENT is not met as evidenced by: Based on observation of video, interview and record review, the facility failed to obtain a physician order for a restraint and failed to document the required documentation for physical restraints for 2 (Client 1 and Client 2) of 3 residents reviewed. Client #1 On 8/14/25 at 2:42 PM a review of video surveillance was conducted for a restraint which occurred on 08/01/2025 in the unit's dayroom. The video footage revealed between 2:58:20 PM and 3:01:23 PM Client #1 was repeatedly moving toward another client in an aggressive manner. Client #1 grabbed a broom and shook it at the other client. At 3:01:28 PM Client #1 was standing still and did not have the broom in the Client's hands. Behavioral Health Associate (BHA) #1, walked into the view of the camera. At 3:02:37 PM BHA #1 was observed grabbing Client #1 with both hands on the client's shoulders, turned Client #1 around and pulled both of Client #1's arms behind the Clients' back. BHA #1 walked from the dayroom to the client's room, holding Client #1's arms behind the clients back. Between 3:02:37 PM and 3:309 PM BHA #1 lifted Client #1 off the ground. A review of Client #1's file on 08/14/2025 did not reveal a physician order for a restraint and failed to reveal the required restraint documentation for the physical restraint conducted by BHA #1 on	-501	501 Step #1: Corrective Action - On 8/8/2025, the employee involved in the incident with Client #1 was placed on administrative leave and was terminated on 9/4/2025. - On 8/14/2025, the employee involved in the incident with Client #2 was placed on administrative leave. - On 9/17/2025, the deficiencies noted will be a topic of discussion in the all employee town halls. - By 9/19/2025, all BHAs, Nurses, and teachers will be in-serviced on a patient escort being considered a restraint and ensuring all required documentation for that restraint is completed. Step #2: Identification of others with a potential to be affected by deficient practice: - On 8/8/2025, through census review, there were 164 other clients within the PRTF with the potential to be affected by the deficient practice noted. Of the 164, 16 clients were in the unit of the BHA involved in the incident with Client #1. - On 8/12/2025, through census review, there were 170 other clients within the PRTF with the potential to be affected by the deficient practice noted. Of the 170, 14 clients were in the classroom where the incident with Client #2 took place.

On 08/14/2025 at 2:42 PM, an interview was conducted with the Director of Risk Management (DRM), who initially stated the incident with Client #1 was not a restraint, but on further questioning, the DRM confirmed the incident was a restraint. The DRM did not provide documentation of the restraint. On 08/15/2025 at 11:08 AM, during an interview Client #4 stated BHA #1 grabbed Client #1's arms and stated that Client #1 went "ragdoll" so BHA #1 drug Client #1 to his room. On 08/15/2025 at 12:10 PM, the Chief Operating Officer (COO) viewed the video with the surveyor and stated the interaction between Client #1 and BHA #1 would be an escort, but escorts are to be documented as a restraint. The COO confirmed there was not a physician order for the restraint, and the required documentation for the restraint was not completed. Client #2 During an interview on 08/14/2025 at 12:59 PM, Client #2 stated the class was getting a treat for good behavior, but Client #2 did not get one due to negative behaviors earlier in the day and would be required to watch the other clients eat their treat. Client #2 stated he wanted time away but couldn't get out of the classroom. A verbal exchange occurred with the Director Of Education , (DOE) then Client #2 pushed the DOE. The DOE then choked Client #2 and grabbed Client #2's legs after they both fell. Client #2 stated there were marks that showed the following day and was reported to BHA #3. -501	Continued From page 6 the DOE stated Client #2 pushed her, so she put her hand on Client #2's chest and pushed the client into a chair. She then tripped and grabbed the client's leg. The DOE denied an attempt to bite the client. The DOE stated Client #2 did not get a treat and had to watch the other clients eat their treat to teach the client what to do and what not to do. The DOE stated that she "agitated and she was aggressive" during the incident. On 08/14/2025 at 2:25 PM, during an interview BHA #3 stated the DOE made Client #2 sit and watch the other clients eat a treat while the DOE verbally engaged with the other clients. Client #2 became more upset. BHA #3 stated the DOE turned around and "went after" Client #2, which caused them to fall into a filing cabinet. Client #2 and the DOE fell to the ground with the DOE's hands around Client #2's neck. BHA #3 tried to pull Client #2 off the ground but stated the DOE held Client #2's leg and could feel resistance while trying to lift him up. BHA #3 stated that after staff were able to separate them the DOE verbally engaged with Client #2 which resulted in Client #2 requiring a restraint. BHA #3 stated that throughout that classroom period the DOE antagonized Client #2, and it was fueling the situation. BHA #3 confirmed there were red marks present on Client #2 neck area the following day. On 08/15/2025 at 9:35 AM, during an interview BHA#4 stated the DOE wanted the clients who were not getting treats to watch the other clients eat theirs. Client #2 asked for a "Time Away", but the DOE denied the request and Client #2 bumped into the DOE. BHA #4 stated Client #2 went after the DOE again which required a restraint, and the DOE told the class, "this is what happens if you buck up against them". BHA #4 stated the DOE caused the situation by being aggressive, not letting Client #2 take a "Time Away" and not letting the BHAs do their job so the restraint could have been avoided. On 08/15/2025 at 10:38 AM, during an interview BHA #5 stated Client #2 and the DOE were antagonizing each other verbally and Client #2 threatened to hit the DOE. The DOE told Client #2 she wanted Client #2 to do it. The DOE then grabbed Client #2 by the neck and choked the client. They both fell to the floor while the DOE was still holding the client. BHA #3 tried to pull Client #2 up but the DOE tried to pull the client down. On 08/15/2025 at 10:57 AM, during an interview Client #5 who was in the classroom at the time of the incident, stated that Client #2 was trying to fight the DOE when the DOE said she wanted Client #2 to come over to her. The DOE grabbed Client #2 by the neck and started walking with Client #2 when they both fell on top of each other. Staff attempted to move Client #2 away from the DOE who was holding Client #2's leg. Client #5 stated that it was crazy and traumatizing to see. A review of a Witness Statement, dated 8/12/25 from the DOE, indicated Client #2 pushed the DOE and while moving Client #2 back to the front of the room toward staff, they slipped and BHA #4 and BHA #5 placed Client #2 in a restraint.
