Licensing received a complaint on 02/26/2025 for ELS Case #027862.

Licensing Specialist reviewed camera footage for this complaint with Sherika Williams and Justin King.

Licensing Specialist observed camera footage of the incident which began at 7:26 a.m. on Residence Hall East 1. Licensing observed a ratio of 4:17.

Licensing could hear and see staff talking to the resident attempting to get the resident to go to his room, take off his pajamas, and put on appropriate clothing to be worn outside of the Residence Hall. Licensing observed after many directives provided to the resident, he entered his bedroom and slammed the door causing a loud noise which alerted staff to go to the resident's bedroom to check on him.

Licensing observed and could hear staff asking the resident to come out of his bedroom. Licensing heard the resident respond by stating "fuck you." It appeared when the resident made a comment to staff, and staff responded the resident screamed loudly and rolled around on the floor. Licensing observed the resident ignoring directives given by a staff member.

The facility reported that the resident spit on the door and urinated on the floor. Licensing observed a staff member spray something on the facility door on Residence Hall East. The resident was observed cleaning the area with a white rag or towel.

Licensing heard words being exchanged between the staff member and the resident. It appeared that the staff member pulled/drugged the resident down the hall by his bedroom. The staff member continued giving the resident directives in which the resident was observed crawling around on the floor near the staff member. It appeared that the staff member kicked at the resident.

Licensing observed the staff member and the resident attempting to be somewhat cordial with one another after the staff member's supervisor and a facility nurse arrived to give the resident his medication. This incident ended at 8:49 a.m. with the resident having breakfast and going to school.

Facility will be cited 109.1.g. staff member was observed pulling on the resident's clothing and 905.4.g. it appeared that the staff member kicked at the resident.
