

Notice of Incident

Case Number: 030202

Date of Incident: 5/30/2025

Date Received: 6/2/2025

Facility Name: Piney Ridge Treatment Center

Report Description: Child's Name: [REDACTED] Description of report: Per staff report on 5/29/25, the resident was antagonizing the entire unit and attempting to get peers to fight. Resident was also refusing bedtime. When the resident saw the peer going out on break, the resident would get irritated and start throwing books, deodorant, paper, and punched various walls at various moments. The nurse on duty talk to the resident after he walked out of his pod without staff permission. Talks included what his concerns and frustrations were over. After this talk, the resident would be brought back into the unit and would not be involved in any further issue. Resident complained of pain to his left hand after hitting the wall. The APRN ordered x-ray on 5/30/25 and results came in on the weekend. This was completed in house, [REDACTED] [REDACTED] Upon assessment today 6/2/25, the resident has full range of motion and denies current pain in his hand.
