Report Description: [REDACTED], an [REDACTED] and private placement. [REDACTED] became upset when [REDACTED] (peer) was in active tantrum due to them supposedly dating each other. All clients were given the instructions to line up to transition to the classroom. [REDACTED] got in the line and transitioned to the classroom but turned around returning back to the dayroom attempting to tell [REDACTED] to stop and get on task. When staff redirected [REDACTED] to returned back to her assigned area she refused and began cursing. Staff continue to redirect [REDACTED] behaviors and asked [REDACTED] to step into the hallway. [REDACTED] then sat down in a chair in the dayroom. Staff was trying to de-escalate [REDACTED] walks out the dayroom yelling "I'm on precautions already right," she then kicked the door and punched the wall twice. She stated she was trying to kick out the door to run away. The nurse later assessed the client, and x-ray was ordered for her hand and ankle. [REDACTED] x-ray results are both of her hand and foot/ankle are negative for any fractures or other abnormalities.
