Date of Incident: 5/1/2025

Date Received: 5/2/2025

Facility Name: Yellow Rock Behavioral Health

Facility Number: 203

Incident Type: Licensing

Report Description: Child's Name: [REDACTED]

[REDACTED] Description of report: On 05/01/25 this resident reported to the APRN that he was having discomfort in his chest area. He reported that he and other residents had been rough housing the day prior and he heard a loud pop, with discomfort to the sternal area. Upon assessment he did have slight swelling. X-ray was ordered to be completed in house. No additional orders at this time. Corrective action taken by the agency or follow up done: [REDACTED].

Interim Action Narrative:

[REDACTED] Narrative:

Licensing Narrative: Licensing specialist Jarred Parnell reviewed the report. Licensing Specialist will follow up with the facility for ratio information and what staff were doing during the incident. 5/15/2025 - licensing specialist resent follow up email inquiring the ratio and what staff were doing during the reported incident. 5/21/2025 - Facility response received "[REDACTED] was unable to provide the date and time that this happened. However I spoke to him briefly at the time of x-ray and he admitted that he was being redirected and was being silly." Licensing specialist inquired for a third time, what was the staff to resident ratio during this incident. 5/22/2025 - Facility response received "Since I do not know the

date and time of the incident ? it would be a guess ? during awake hours we are 1-6, during sleeping hours we are 1-8 at least "
