DPSQA - Incident & Accident - OLTC

Report Description: While walking back to the school after RT group, patient came to staff and reported that a female peer had walked up behind her and brushed her hand across her backside and grabbed her butt. She reported that she has asked this peer multiple times to stop touching her, but this peer continues anyways. She reported that this female peer has grabbed her by her hips, lays her head on her shoulder, and engages in sexually inappropriate conversations with her. Patient reported that this peer asked her if she has ever been raped and when patient told her it was none of her business, the peer responded, 'well I have, but its ok because it felt good.'
