Notice of Serious Incident

Case Number: 028356

Date of Incident: 3/17/2025

Date Received: 3/18/2025

Facility Name: Yellow Rock Behavioral Health

Facility Number: 203

Incident Type: Licensing

Report Description: On 3/17/25 at approx Per staff [REDACTED]

[REDACTED] were outside in obsidan pod courtyard when residents pushed through the court yard gate after one of them broke the lock. Staff followed the three residents attempting to convince them to return. [REDACTED] stayed close by staff through the brush and thorns. [REDACTED] were called and [REDACTED] came and brought back residents. After arriving back to the facility resident was asked to do a search to make sure resident did not bring contraband to the facility, [REDACTED] agreed and did search and after was sent to resident unit and no further incident occurred. Per facility policy resident will be placed on 24 hour elopement precautions and be RTU for 24 hours due to eloping and pushing through staff. [REDACTED] after the [REDACTED] [REDACTED] and escorted all the three boys back to the building (Yellow Rock Behavioral Health). After residents arrived back on the facility, they were placed in the admissions office awaiting gown search. One of the residents agreed to return to the unit while [REDACTED] started to take off their soiled wet clothes. They began to slap staff in the face and other areas of the body. They threw their dirty clothes at staff. They both began to flip chairs, tables and ripped the phone out of the wall and cord out of the phone. After everything was removed from the room, the two residents took off their shirts and began being SAO by ?shaking their chests and bellies.? Resident pulled down his shorts and exposed his genitals to staff and nurses. Staff called for extra nurse support and emergency medication administered for resident and staff safety. No injury noted or reported, Notified guardian and DON. Placed resident on RTU and SAO precautions for 24 hours. Mitigation of fixing the lock ocured immediately and all primary therapists will process with residents.
