Report Description: [REDACTED] was admitted to Yellow Rock Behavioral Health (YRBH) on [REDACTED]/2025. The YRBH treatment team recommended that [REDACTED] be transferred to an acute treatment facility to address auditory and visual hallucinations, continuous thoughts of wanting to die, mood extremes that cause her to be verbally aggressive toward others during times of distress, [REDACTED] will state she wants to kill others or herself sometimes but with unrealistic and delusional thoughts of ways to do so, [REDACTED] will speak about the voices on each side of her head that are auditory and command in nature. Psychiatric APRN gave order for resident to go Acute Care. Guardian was informed and the resident went to [REDACTED] in [REDACTED] for acute care. At this time we have a bed hold for the resident to return to YRBH upon completion of Acute care.
