Runaway Juvenile

On 06/18/2025 at around 2040 hours, I arrived at the Youth Home at 20400 Colonel Glenn Road in response to a runaway juvenile call for service. Upon arrival, I made contact with the complainant (Taymahnee Gordon) in regards to the incident.

Gordon advised that she was a staff member, and that she was preparing the juvenile residents for bedtime at around 2006 hours. While doing so, 4 of the juveniles () ran through the front door of the residence. Gordon stated that the 4 juveniles then ran down the driveway before turning toward the wood line and running eastbound through the trees.

Gordon said that was last seen wearing a black Nike sweatshirt, black Nike sweatpants, and red and white Nike Air Force tennis shoes. was last seen wearing a black t-shirt and hoodie, black sweatpants, and purple and gray Nike Air Jordans. was last seen wearing a black and white denim jacket, blue denim pants, and white Nike Air Forces. was last seen wearing a black long sleeve shirt, black sweatpants, and brown New Balance tennis shoes. Gordon then stated that there was no concern for their immediate danger, aside from the fact that they ran away from the Youth Home.

I then canvassed the area of Colonel Glenn Road and Lawson Road extensively (after being informed that they were possibly headed to a business named Smoke Buddies on Colonel Glenn Road). After being unable to locate the juveniles, I was later informed that they were found attempting to hitch hike on Burlingame Road. I also spent a considerable amount of time canvassing Burlingame Road, but was met with negative results.

I then returned to the youth home, and issued Gordon a report number after completing Missing Person forms. Gordon later advised me that the Youth Home staff would contact the family members of the juveniles in regards to the incident. All 4 juveniles were later entered into ACIC as missing prior to returning to service.
